

# Get What You Need...

## *Celebrating 75 Years of Imaging Professionalism*

Head to Normal, Illinois on April 14 – 16, for the 75th Annual ISSRT Conference. You will receive key industry information and have the opportunity to network with other radiologic technologists all in one place.

### You will find dynamic sessions, including:

- **Live Procedure** – Endoluminal Grafting (ELG) of an Abdominal Aortic Aneurysm. Join vascular surgeons Drs. Syed Hussain and Nabeel Rana, of Heartcare Midwest, as they perform a live ELG procedure from OSF Saint Francis Medical Center.
- **Aging Issues of Radiographers** – Join Richard Fucillo as he looks at the demographics of aging; what the leading causes of death are; and the most common diseases associated with seniors health.
- **Memorial Lecture** – The Illinois State Society of Radiologic Technologists has invited April A. Tatham, M.S.Ed., RT(R) to present the Thirty-Second Memorial Lecture, “Love It or Leave It” at the 75th Annual ISSRT Conference.
- **And much, much more!!**

The Conference is around the corner; and, this is one event you can't afford to miss!

**Register Today**
